

A Message From Our Principal

On behalf of the teachers, administrative staff, support staff, and the owner, Larry Dobson, welcome to Saints Tabernacle Day School. Our school is a non-public school located in the Fern Rock section of Philadelphia.

Our small classroom size and individualized approach to learning make Saints Tabernacle a natural fit for the families that tour and enroll in our school. We are excited about working with your child this year and seeing all the academic strides that they will make. Our partnership with Learn It Systems allows us to provide reading and math support services to students who need academic support as well as counseling services to students transitioning from other schools.

We are committed to maintaining a safe, healthy school for our staff and students. With this, we will continue to recommend mask wearing, frequent handwashing and social distancing when it is possible. Daily temperature checks will still be conducted upon arrival and students who are sick will be required to stay home until they are well.

Our school tagline is, "Amazing Things Happen Here!" This is the foundation for this year's calendar of activities. Your child will thrive here because excellence, hard work, a caring environment, and parent communication are integral to our program. Take a moment to review the 2022-2023 school calendar as well as some of our captured moments from previous school years.

Thank you for entrusting us with your child. We look forward to another successful school year!

Thank You,

Nicole Williams,
Principal
